**UNITED STATES BANKRUPTCY COURT
SOUTHERN DISTRICT OF NEW YORK**

In re LEHMAN BROTHERS et al Debtors
Chapter 11 Case No. 08-13555 (JMP): Jointly Administered

**MY RESPONSE to the Notice of the Hearing on Debtors Fortteth omnibus
objections to claim (LATE FILED CLAIMS)**

**Creditor: Paul Ryb of 3 Reynolds Close, London NW11 7EA UNITED
KINGDOM**

CLAIM No: 65722

DEBTOR: Lehman Brothers et al

Amount claimed: US\$ 581,500.12

21st September, 2010

Dear Sir/Madam

**RE: MY RESPONSE to the Notice of the Hearing on Debtors Fortteth omnibus
objections to claim (LATE FILED CLAIMS)**

I do apologise for the late submission of my claim but I must plead extenuating circumstances which I hope the court will take into consideration: I disclose in my defence that I am registered blind (March 2009 – documentation provided), and at no time during the open offer period (2nd July-22nd September 2009) was I aware of the deadline and need to file. My ability to browse websites and receive unspecified material is extremely difficult.

I am also not employed by the Nomura or BarclaysCapital groups where I understand familiarity with this tight timetable was commonplace. I was only made aware of the process by a chance encounter with an ex-Lehman colleague who is currently employed by Nomura in London. Once I was verbally made aware of the situation and need to file my claim in November 2009 I set about making the necessary enquiries. I have had numerous email exchanges with the Lehman Team at lehmanteam@weil.com, (evidence enclosed) highlighting my plight to get my claim filed given the complicated process and my eyesight predicament as soon as possible once I was made aware of the process.

I was especially relieved when I received a letter (evidence enclosed) dated 10th January 2010 from EPIQ Systems confirming acknowledgement of my filed claim. I do hope you accept my circumstances as reasonable as to why my application is late, and therefore reject any attempt to remove/disqualify and expunge my claim. I did not receive any forms to my knowledge detailing or explaining the process and given my eyesight predicament would not have been able to see them easily either.

I am available to participate by telephone on the trial date 27th October, 2010 should this be necessary and request the necessary information be sent to me by post or email so that I may comply. My contact details are on the front of this letter. I look forward to hearing back as soon as possible and have filed this objection as quickly as possible after speaking with the Debtors counsel, Mr John O'Connor

Yours sincerely

Dear Jenna,

Thank you for your email. I will submit a completed proof of claim form with a covering letter explaining that I was never notified of such a tight timetable and requesting that in light of my visual disability and subsequent difficulties in completing the form, special dispensation be granted and my claim accepted. I will provide supporting documents with this claim of my annual CSAs (contingent stock awards) granted by Lehman Brothers, and proof of my visual impairment (I am registered blind).

To complete the form correctly please can you advise me of whether the loss of my income awards as granted by the 5 year vesting schedule of the CSAs falls under any priority consideration as stated on the proof of claim form: what is the specific applicable paragraph of 11 U.S.C 507(a) that I should be referring?

Can you clarify simply for me whether I complete section 2 "basis for claim" as referencing my CSAs, or need to refer to section 3 on the form relating to the last 4 digits of a particular account?

As you must appreciate my visual impairment prevents me from being able to navigate my way around these instructions and in order for me to submit the form as quickly as possible I would appreciate you clarifying the above points.

I was then intending sending the form by courier to the Epiq Bankruptcy Solutions, Lehman Claims Processing Third floor, 757 Third Avenue NY complete with a stamp address envelope.

Please advise if this is correct and I look forward to hearing back from you as soon as possible

Best regards Paul Ryb

Paul,

Please take note that, on July 2, 2009, the United States Bankruptcy Court for the Southern District of New York, having jurisdiction over the chapter 11 cases of Lehman Brothers Holdings Inc. and certain of its affiliates, as debtors and debtors in possession in the above referenced chapter 11 cases (collectively, the "Debtors"), entered an order (the "Bar Date Order") establishing September 22, 2009, at 5:00 p.m. (prevailing Eastern Time) as the last date and time for each person or entity (including, without limitation, individuals, partnerships, corporations, joint ventures, governmental units and trusts) to file a proof of claim ("Proof of Claim") based on prepetition claims against the Debtors (the "Bar Date").

Please note that the Bar Date has now passed. The Debtors have the right to object to claims filed after the Bar Date as being untimely. Please visit the Debtors website available at www.lehman-docket.com for further information. You may determine to consult legal counsel to the extent you deem appropriate.

Regards,
Jenna

Thank you Jenna,

I am registered blind and am not in a position to complete forms easily. I understand there is a process for registering lost Lehman CSAs received as part of my employment remuneration but lost in the bankruptcy filing.

I worked at Lehman Brothers in the UK office from 1999 – 2008 and have calculated I lost \$540,000 in lost CSAs. I have the annual remuneration confirmations corroborating this information but was keen to understand how as a blind man with a degenerative eye condition I could get this detail registered appropriately. I was informed recently by an ex-colleague the registration period had lapsed however I do not recall receiving any notice or forms to this matter. Obviously given my eyesight condition it puts me in a difficult position but I am keen to ensure my disability does not prejudice my prospects for ensuring my claims for lost Lehman CSAs (contingent stock awards) is correctly processed.

I am grateful for you getting in touch and look forward to hearing from you.
